OUR silver friends insist that the increase in price of wheat is due to short crops in foreign countries. Are the foreigners also short on cattle, sheep, mules, cotton, corn, oats, tobacco, etc., which are all bringing better prices than they did last year? Better admit that times are improving, boys, and let your consciences feel better.

Kate Claxton has forsaken the "Tw. Orphans" and is doing one-act plays in vaudeville houses.

Walter Chenault, a Lexington boy, has the comedy part of *Pedro* in the forthcoming production of "Cinderella."

Edgar Baum, of Mt. Sterling, will return to the stage. He will be in the support of Engenie Blair (Mrs. Robt. Downing) this season.

The Chicago *Record* Tuesday said: "Mr. Clement opened the forty-first season of McVicker's theater last night with the production for the first time on any stage of his own new play, 'A Southern Gentleman.' It is less than two years since Mr. Clement first appeared as a star before Chicago audiences, and the advance he has made in that time in his dramatic art and in their regard for him is remarkable. So far as the latter is concerned, it was testified last night by the presence of an audience that filled the house with applause almost constant from the purely personal demonstration of pleasure in his return to the end of an artistic triumph that terminated, not with a climactic situation, but with a touch of human nature that left a sweet memory to every one.

"The play itself is human, real, tender, poetic. The audience was pleased. The company secured by Mr. Clement to support him in the production is one of the strongest organizations that has been seen in Chicago for many a day. From top to bottom it is made up of actors favorably known for successful and artistic work in their profession. Messrs. Frank E. Aiken, Chas. Dent, Robert Drouet, Frank Wolcott, Thos. F. O'Malley, Will H. Davis, Jeffrey D. Williams, William B. McGillicuddy, Carleton Macey, and Edgar A. Marnett. Miss Eleanor Carey, Karra Kenwyn and Mabel Knowles and Mrs. Charles G. Graig form a cast of characters more than sufficient to justify warm commendation."

Mr. Clement, a genial gentleman in private life but an exacting manager and employer, writes that he is well pleased with the work of Mr. W. H. Davis, of this city, and the latter's hope to see him distinguish himself before the season is over. The Clement Company plays in Lexington January 1st, and may come to Paris.

Broken Chain

The family circle is never so happy after the chain is broken and a link taken. Some family chains are strong, others weak. Have you a good family history? Or is there a tendency to coughs, throat or bronchial troubles, weak lungs? Has a brother, sister, parent or near relative had consumption? Then your family chain is weak. Strengthen it. Take SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites. It makes rich blood, gives strength and vigor to weak lungs and run-down constitutions. With its aid the system throws off acute coughs and colds. It prevents the chain from breaking. Shall we send you a book about this, free?

"DR. MILES,

Through His Nervine Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nervine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nervine is a benefactor to thousands."

A. C. LEHMAN,
Editor and proprietor of DER LANDSMAN.
Dr. Miles' Nervine is sold on guarantee first bottle will benefit or money refunded.
